## Education

- HSSC (Computer Science)** 2022 - 2024  
*GHSS No.2 Nowshera Cantt*  
Achieved A-grade marks with outstanding performance in all subjects.
- Diploma in Information Technology** 2023 - 2024  
*Cambridge Institute of Technology NSR Cantt*  
I completed a Diploma in Information Technology, where I gained hands-on experience in IT fundamentals, including networking, database management, and software development.
- Web Development Course** 2024  
*OnicByte Software House - Peshawar*  
I completed a Web Development course at OnicByte Software House, where I learned essential skills in front-end and back-end development. The program focused on HTML, CSS, Bootstrap, JavaScript, MySQL and PHP, providing me with the expertise to create dynamic, user-friendly websites and applications.

## Experience

- Web Development Internship** 3 months  
*OnicByte Software House - Peshawar*  
As a Web Development Intern at OnicByte Software House, I gained practical experience in building websites and web applications. This opportunity allowed me to work with cutting-edge technologies, including HTML, CSS, JavaScript, MySQL and PHP by creating real-world projects.
- Freelance Web Developer** 2025 - Present  
*Self-paced experience*  
Developed responsive websites and dynamic web applications using HTML, CSS, JavaScript, PHP, MySQL, and WordPress, collaborating closely with clients to deliver tailored solutions. Optimized performance, security, and SEO to ensure user-friendly experiences and improved search engine visibility.
